

Title:	How to Register a Hik-Connect Account	Version:	v1.0	Date:	01/03/2017
Product:	Cameras, NVRs, DVRs	Page:	1 of 11		

Summary

Hik-Connect is a new service introduced by Hikvision which integrates the dynamic domain name service along with alarm push notification service. It provides an easy way for customers to connect their devices to Internet for remote management.

This manual shows customers how to register a Hik-Connect account.

Discretion

User interface may not be identical to the instructions shown below depending on the product, firmware version. However, the information and settings required to setup Hik-Connect services are similar across all supporting products.

Preparation

User needs to register the account with the mobile phone or computer.
